CALIFORNIA PLAYER STRIKES ROCKET GOLD!

LUCKY PLAYER IS FIRST TO WIN IN THE GOLDEN STATE

April 26, 2011 – Rocket Gaming Systems® is pleased to announce that its popular Gold Series® line of Class II games has awarded another top progressive prize. On April 20, 2011, a lucky player was awarded a Gold Series top progressive prize of \$1,036,250.09 while playing Rocket's Golden Sunrise® video game.

The win occurred at Santa Ysabel Resort and Casino in Santa Ysabel, California. This marks the third Gold Series top progressive prize to be awarded in 2011 and the first win to occur in the state of California.

The Gold Series currently consists of eight video titles and three mechanical reel (stepper) titles, with new titles being released frequently. Each are unique and entertaining titles that provide players with a wide range of bonus round displays for a full featured gaming experience. Best of all, Gold Series players compete for a top progressive prize that reaches over \$1,000,000.

Rocket Gaming Systems, a business enterprise of the Miami Tribe of Oklahoma Business Development Authority, has been providing linked interactive electronic gaming systems and player stations for over 15 years. Rocket was the first, and remains the leading, Class II manufacturer with the technology to offer wide area progressive prizes and is considered by many industry insiders to operate the most technologically advanced Class II system in the market.
