ROCKET WELCOMES NATHANIEL HOLT AS VICE PRESIDENT OF SALES

June 29, 2011 – Rocket Gaming Systems® is pleased to announce that Nathaniel Holt has joined the company as Vice President of Sales. Holt brings over 25 years of experience to Rocket and will be responsible for strategically organizing and directing the company's sales efforts.

Holt has a long and successful track record in senior sales management roles. Prior to joining Rocket, Holt was the Director of North American Sales at A.C. Coin and Slot Service Company in New Jersey. His additional sales experience includes stints in medical and pharmaceutical sales as well as in commodities trading on Wall Street.

“With Nat’s arrival we have taken another step toward strengthening our management team significantly,” said Rocket Chief Operating Officer Robert A. DelRossi. “Nat’s unique skills, his experiences in the gaming industry and elsewhere, and his proven track record are a winning combination for our company,” he said.

Rocket Gaming Systems, a business enterprise of the Miami Tribe of Oklahoma Business Development Authority, has been providing linked interactive electronic gaming systems and player stations for over 15 years. Rocket was the first, and remains the leading, Class II manufacturer with the technology to offer wide area progressive prizes and is considered by many industry insiders to operate the most technologically advanced Class II system in the market.
